This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on _____. As of _____, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

Qual-Ed Nursing Academy

211 Marina Center Suisun City CA 94585 Tel: 707-389-2303 Fax 707-389-2304 www.qual-ed.org

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

There is a grace period when the student has the right to cancel the enrollment agreement and obtain a full refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later.

PROCEDURE TO CANCEL

Cancellation occurs when the institution receives written notice of cancellation from the student addressed to the attention of the School Director at Qual-Ed Nursing Academy 211 Marina Center Suisun City 94585 Tel: 707-389-2303 Fax 707-389-2304 info@qual-ed.org. The student can do this by mail, email, in person, or by fax. The notice, if mailed, is effective by the postmark date. This notice need not take any form; it needs only to state that the student wishes to cancel the enrollment agreement. If the student cancels the enrollment agreement, Qual-Ed Nursing Academy shall refund 100 percent of the amount paid for institutional charges, less the application fee of \$100.00 if a notice of cancellation is received by the first class session, or the seventh day after the enrollment agreement is signed, whichever is later.

REFUND POLICY

After the grace period, the institutional refund policy for students who have completed up to 60 percent or less of the course of instruction is a pro-rata refund. There is no refund for students who have completed more than 60 percent of the program. Students have a right to terminate their studies at any time and have the right to receive a refund for the part of the program they have paid for and did not receive. A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

If a student withdraws or is terminated from a program after the grace period allowed for cancellation and before completing more than 60% of the program, the school will remit a refund, less the registration fee of \$100.00, within 45 days following the withdrawal date. A student needs to pay only for educational services rendered and unreturned books or equipment.

PRO-RATA REFUND CALCULATION

- (A) Deduct a registration fee (\$100) from the total tuition charge.
- (B) Divide this figure by the number of days in the program.
- (C) The quotient is the daily charge for the program.
- (D) The amount owed by you for purposes of calculating a refund is derived by multiplying the total days attended by the daily charge for instruction.
- (E) The refund would be any amount in excess of the figure derived in (D) that was paid by you.
- (F) The refund amount shall be adjusted for equipment, if applicable.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student defaults on a federal or state loan, both the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on _____. As of _____, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

There is a grace period when the student has the right to cancel the enrollment agreement and obtain a full refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later.

PROCEDURE TO CANCEL

Cancellation occurs when the institution receives written notice of cancellation from the student addressed to the attention of the School Director at Qual-Ed Nursing Academy 211 Marina Center Suisun City 94585 Tel: 707-389-2303 Fax 707-389-2304 info@qual-ed.org. The student can do this by mail, email, in person, or by fax. The notice, if mailed, is effective by the postmark date. This notice need not take any form; it needs only to state that the student wishes to cancel the enrollment agreement. If the student cancels the enrollment agreement, Qual-Ed Nursing Academy shall refund 100 percent of the amount paid for institutional charges, less the application fee of \$100.00 if a notice of cancellation is received by the first class session, or the seventh day after the enrollment agreement is signed, whichever is later.

REFUND POLICY

After the grace period, the institutional refund policy for students who have completed up to 60 percent or less of the course of instruction is a pro-rata refund. There is no refund for students who have completed more than 60 percent of the program. Students have a right to terminate their studies at any time and have the right to receive a refund for the part of the program they have paid for and did not receive. A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

If a student withdraws or is terminated from a program after the grace period allowed for cancellation and before completing more than 60% of the program, the school will remit a refund, less the registration fee of \$100.00, within 45 days following the withdrawal date. A student needs to pay only for educational services rendered and unreturned books or equipment.

PRO-RATA REFUND CALCULATION

- (A) Deduct a registration fee (\$100) from the total tuition charge.
- (B) Divide this figure by the number of days in the program.
- (C) The quotient is the daily charge for the program.
- (D) The amount owed by you for purposes of calculating a refund is derived by multiplying the total days attended by the daily charge for instruction.
- (E) The refund would be any amount in excess of the figure derived in (D) that was paid by you.
- (F) The refund amount shall be adjusted for equipment, if applicable.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student defaults on a federal or state loan, both the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
